

Canada 150 by Greg Weir

Watch the video of Grade 3/4 students at Queen Mary Elementary School performing this song: curio.ca/en/video/standforcanada-youth-challenge-grade-34-students-at-queen-mary-elementary-school-16123/

Canada is 150 years old

150?

That doesn't sound right.

It's gotta be more.

What about the First Nations ?

What about the dinosaurs ?

Well.....politically.....

4x One Hundred and Fifty

Canada Hundred and Fifty

Canada Hundred and Fifty

Canada Hundred and Fifty

Canada O Canada

Canada From sea to sea

Canada Stands on guard for thee

Canada Glorious and free

Canada We can be what we

wanna be

Canada Hundred and Fifty

Canada Hundred and Fifty

Canada Hundred and Fifty

Canada O Canada

Canada We love to go explore

Canada Walk the rocky shore

Canada Skating in the
great outdoors

We shoot..... We score!

(bridge)

Ever since, the dawn of time,

First Nations loved this land.

Happy birthday Canada

Together strong we stand!

(rap)

A nation, connected, with railroad ties

Immigration and great allies

All protected by a Charter of Rights

Still, we're known to apologize.

O Canada. Hundred and fifty
(pardon moi)

Canada. Hundred and fifty
(chez toi)

Canada. Hundred and fifty.

Canada O Canada

Canada. Hundred and fifty

Canada. Hundred and fifty

Together we're getting better
every year!

Together we're getting better
every year!
